VOICE STEDFAST NEWSLETTER

VOLUME 12, ISSUE 18, APRIL 2011

FOR INTERNAL CIRCULATION ONLY

PRESIDENT'S MESSAGE

Dear Brothers & Sisters in Christ,

"Greetings in the name of our Lord Jesus Christ from Stedfast Kuala Lumpur! May the year of the golden rabbit bless you and family with good health, happiness and great prosperity."

2010 was indeed a busy and meaningful year for us especially with the success of our 15th Anniversary Celebration, Annual Golf Tournament as well as supporting the Kuala Lumpur State Boys' Brigade (both finance and human resources) in topping their Full Time Officer Funds to RM10,000.00 plus their BB Pesta in Penang, Awards Camp in Kuala Kubu Bharu and Christmas Concert in Stadium Titiwangsa. We have also continued to support the Hyams Family, Grace Dialysis Centre, Methodist Boys' School KL, Wesley Methodist Church KL and our own Stedfast Scholarship programme which had since made in-roads with separate Agreements signed with Methodist College Kuala Lumpur and Nilai University College.

This year 2011, we will be "FLYING"!! We Stedfast KL initiated and hosted the 1st Stedfast Regional Games back in 2007 and this bi-annual fellowship Games was passed on to Singapore in 2009. The coming 3rd Stedfast Regional Games will be organized by Kuching Stedfast from 20th – 24th July, 2011. So, come and join us. I am sure it will be a fantastic time of fellowshiping through healthy competitions between Stedfast Associations in this region namely, Singapore, Penang, Kuching, Kota Kinabalu, Kuala Lumpur and maybe Ipoh.

Our only source of fund raising event is still our Annual Stedfast Golf Tournament. And we are indeed thankful that after so many years our "Founder for Stedfast Golf", Mr. Danny Cheah is still as enthusiastic as ever with his contribution to the success of the tournament, both golfers and sponsors. We also want to thank Singapore Stedfast for their participation over the last few years and our core group of volunteers for putting in so much efforts to make the tournament a resounding success year after year.

To all our Stedfast Kuala Lumpur members, please read through this newsletter and do find the time to participate in all the 2011 Programmes that have been planned.

Last but not least, we just want to thank our Almighty God for His presence and blessings for Stedfast Association Kuala Lumpur. As we move into 2011, we want to recommit our Association and our 2011 Programmes into God's hands for "God will make a Way where there seems to be NO way". We in the committee can only do so much and we seek your constant prayers to reach out to others and completing the various tasks. So, let's move forward "Sure and Stedfast" together in this God's Ministry called Stedfast Association Kuala Lumpur.

To God be the Glory and Praise.

MICHAEL YEI

Congratulations !

Message from the newly elected Kuala Lumpur State BB Commissioner

Dear Members of Kuala Lumpur Stedfast and Friends,

We bring you good wishes and greetings from the Kuala Lumpur State Council and its members. So fast, the time has passed and it is already two years since Hon. Capt. Cheong Sing Yuen had held the baton and all the responsibilities that comes with this appointment as Kuala Lumpur State Commissioner. In the changing of the guard, it makes me feel a deep sense of responsibility and commitment to carry on the good things where he left off. It is no easy task but I will persevere with God's Strength, Guidance and His Wisdom.

These last two years have seen the close working relationship between both our entities in a warm, brotherly manner with each supportive of one another's strengths and weaknesses.. But the most important burden to each one is that at the end of the day, the boys, parents and needy families benefit from all our hard efforts. And the members are bound together likewise by noble virtues and pure, good intentions springing from deep within our hearts. As it is written in Matthew 9 : 37-38 when Jesus said to his disciples .. " The harvest truly is plentiful, but the laborers are few. Therefore pray that the Lord of the harvest will send out laborers into His Harvest. "

We cannot fail when we feel for each others burdens and we will support each other in various projects with the right objectives and manpower. I realize that even though our members come from different age groups, we can share common, similar synergies to achieve much in the coming months. The young and the not so young (but with abundant energies and focused) to push forward to achieve excellence in our chosen fields of endeavors. This is the right spirit to do things. Just as the FTO Fund was first mooted with the correct motives and directions.

We pray for the continued growth of all resources in our organizations, for continued courage and commitment to do more than mediocrity, and that many more will step forward to lend a helping hand in carrying out God's Plans. We will not fail when God directs our Paths and is There for Us.

Many Happenings are Not of Our Own Doings But is Directed By His Will for US.

By His Grace and Mercies Forever,
Hon. Capt. Tony Chow

Message from the newly elected Selangor State BB Commissioner

Greetings to you all in the name of peace and goodwill through our Lord & Savior , Jesus Christ.

It is indeed an honor and privilege to be nominated as the Selangor State Commissioner for the next two year period. During this time, I will continue the good work laid down by the previous Commissioners and looking forward to the good working relationship with and within the various BB partners.

My sincere gratitude to all Honorable Captains , Captains and Advisors of the Boys' Brigade in Malaysia (Selangor Councils) for your trust in me and to all Boys' Brigade in Malaysia Executive Committee for your encouraging words and support shown .

May we continue to work together for the betterment of this vibrant BB Ministry by reaching out our love and care to all children in the community.

As it is written in 2 Timothy 4 : 5 "**Keep your head in all situation, endure hardship, do the work of an evangelist and discharge all the duties of your ministry.**" Do your best, God will do the rest.

In His service,
Capt. Richard Lee

13th Stedfast Golf Tournament

The 13th Stedfast Golf Tournament was held at Templer Park Country Club on 27th May 2010 as a kick-off event for the 15th Stedfast Kuala Lumpur Anniversary Celebration. A total of 110 golfers teed off for a round of 18 after a light lunch. After an intense afternoon of driving, chipping and putting, prizes were awarded to all the winners during the dinner cum prize-giving. All the golfers went home with at least a "prize" as we gave each one of them a goody bag and we also have had a lot of lucky draws prizes which were exclusively for the non-main prize winners. The Champion for the Tournament is Mr. Raymond Tee and we want to take this opportunity to thank all our faithful golfers, supporters, sponsors and members.

During the prize-giving and in conjunction with the Association's 15th Anniversary, we took special efforts to recognise the person who initiated "Stedfast Golf" more than 12 years ago. Stedfast Golf is the only fund-raising event organised by the Association annually and we have been having it without a break since 1998. Hence, we want to specially thank the "Founder of Stedfast Golf", Mr. Danny Cheah for his foresight and vision.

Finally we want to thank our good Lord for blessing us with good weather and guiding us to make this tournament a resounding success again.

Kuala Lumpur State BB Junior Camp 2010

Reported by Capt. Yee Mun Theam (1st Kuala Lumpur Company)

KL State Junior Camp was held at Kem Bina Semangat, Kuala Kubu Bharu from November 20th to 22nd, 2010. A total of 80 Junior boys from various KL State companies attended with 10 Officers and 2 NCOs, headed by Camp Commandant, Captain Jacob,

The theme of the Camp was "UNITED" – emphasizing on the strength of teamwork and working together as a body of Christ. So, over the 3 days they worked together in building up the bonding, comradeship as well as instilling the BB culture in each member through activities like group dynamics, obstacles course, night jungle trekking, team building, etc. and before they left for home, they were fortunate to be provided the opportunity to visit the KKB's Fire Brigade Station and everyone had a "feel" of the life of being a fireman.

Last but not least, we also want to thank and praise our Almighty God for His great providence, protection and wisdom throughout the whole camp and not forgetting, Mr. Raj for his wonderful sharing of "Becoming Super Heroes for God", army commandos, Committee members, Camp Officers & NCOs. Finally, our heartfelt thanks to Stedfast Association Kuala Lumpur for their time and effort in coordinating this Junior Camp and the visit to the fire brigade station.

STEDFAST-BB FELLOWSHIP GAMES SEPTEMBER 16, 2010

STEDFAST KL RETAINED AS CHAMPION

A TRIBUTE TO SP CHUA

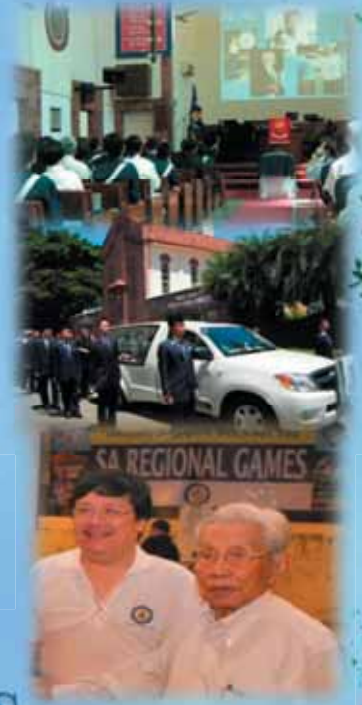

by Alfred Ong

The last founding member of the Boys' Brigade Singapore, Mr Chua Siak Phuang, commonly known as "SP Chua" was called home to be with the Lord on 24 April, 2010 at the age of 96.

The late Mr SP Chua was an honorary president and one of the 12 founding members of Boys' Brigade Singapore when it started in 1930. He had served in the Brigade for the past 80 years - as BB Boy, Officer, Captain and Brigade President. He was once a President of the Boys' Brigade in Malaysia in 1964, where my late father Ong Tit Hoe was serving as his Assistant Secretary in the Brigade in Malaysia.

SP Chua once said "There is no retirement in the BB - because it is the Lord's work. The time I retire is when God stops me working - through sickness or death."

It was a privilege and honor for me to meet him during the 2nd Stedfast Regional Games held in Singapore in 2009. My late father, always mentioned his name when we talked about BB Singapore. Personally, I have not met "Uncle" Chua before and by meeting him at the Regional Games was indeed a great honor. Hence, I salute him for his love for BB and even at the age of 95 years, he took the trouble to visit us at the games venue.

A SALUTE TO JOHN BATES

by Michael Yei

Dear Friends it is with profound sadness that I have to inform all of you that John Bates, the London Stedfast Secretary had been called home to our Lord Jesus Christ on 9th March, 2011. He was age 74 years and a very active London Stedfast Secretary till the very end.

While writing this email to you guys, I am still dumbfounded and shock like the people in Sendai, Japan, more so when I first heard the news. Anyway, I am consoling myself that our God wants him more and that John had gone ahead of us to build a "Stedfast Foundation" for all of us. Hence, his Stedfast work on earth is "done" for now.

Stedfast KL has also been made "well known" through him because he was the one who invited us to write an article for their "Onlooker" magazine and remember, he gave us a center-spread full colour "exposure" while the other pages are just black and white ??

Danny and I knew John when we met him at the Stedfast International Convention held in Kuching about 10 years ago and since then, he was our main person of contact as far as London Stedfast is concerned. Hence, brother Derrick Dai, you might want to cherish that photo which we put out in our own Stedfast KL newsletter of you with him during one of your trip to London. If my memory serves me correctly, the other person whom I have arranged to meet up with John was Geok Soon.

Last but not least, our deepest condolences to the family of the late Mr. John Bates during this difficult period from all of us at Stedfast Association Kuala Lumpur, MALAYSIA.

Condolences to the family of the late Hector Dutton, who was called home to be with the Lord on January 29, 2011. He was a Captain of 1st KL BB Company.

I chose Nilai UC because of its campus which is situated away from the distractions of the city. This allows me to focus on my studies. Beside the many social activities, the campus also has a host of sports and recreational facilities which keeps me occupied after class. However, what I've treasured most is the opportunity to meet people from all over the world. This has broadened my thinking and certainly prepared me for my studies in the US!
