Introducing our neighbour

SINGAPORE STEDFAST

The Stedfast Association, Singapore began its rich history in 1935 as the Sure & Stedfast Club. The Club was the brainchild of Mr. James Milner Fraser and the objective was to cater to Old Boys of the Brigade who have left the organization upon reaching the age limit. It was estimated that there were at least 200 Boys that left the organisation, and little was known of what happened to the majority of them. Mr. Fraser recognised the strong potentials of these old Boys whose hearts, and passion still burns strong for the Brigade's work. The Club's founding committee members were Mr. James Milner Fraser, Mr. Kok Hock Heng, Mr. Tan Keng Kan, Mr. Choy Ah Soo and Mr. SP Chua, who were all concurrently serving Officers of the Brigade.

Anchored To Serve

After World War II, the Club was revived in 1946 by Mr. James Milner Fraser, and Mr. SP Chua, with the support from Mr. AM Cherian, Mr. Lim Sam Chan, Mr. Quek Khye Kee, Mr. Wee Leong Sau, Mr. George Ee, Major LF Stange, and Mr. See W James. On Monday, 7 July 1969, the Sure & Stedfast Club was officially registered as a society in Singapore, and the first Inaugural Meeting was held on Wednesday, 27 August 1969 at the Wisma Restaurant, Orchard Road. Mr. SP Chua was elected as the Club's first President. At the 1983 BB Centennial Celebration in the UK, the name, The Stedfast Association, was adopted to bear the common identity among all BB alumni organisations worldwide. Henceforth, the 'Sure & Stedfast Club' was renamed 'The Stedfast Association of The Boys' Brigade in Singapore'. As of 2011, The Stedfast Association has more than 450 members and 15 SA Branches.

The Mission Statements of The Stedfast Association, Singapore is to:

- Provide resources to BB to further the BB Object;
- Promote wholesome lifestyle among SA members;
- Render service to our community.

The Stedfast Association, Singapore has been staying true to its Mission Statements with various programmes and activities benefitting the members of the SA, BB and the community

Introducing the President of Stedfast Association of Singapore Peter Foo Chien Ho

Peter joined the Life Boys of the 5th Singapore Company when he was 9 and joined the BB at age 11 when he was in Primary 5 in Presbyterian Boys' School. He was one of the founder members of the 20th Singapore Company in Bethesda Frankel in 1962. He qualified for the Founder's Badge at age 14 but was given the award when he turned 15 because of age requirement. After more than 15 years' absence from the BB because of further studies, Peter returned to his first passion as Captain of the 6th Singapore Company at Paya Lebar Methodist Church where he was worshipping.

He then served as Vice-President of the BB in Singapore in the early 1990s and as the Brigade President between 1995 and 2000. He received the Public Service Medal in 2005 from the President of Singapore on behalf on the Boys' Brigade for the Brigade's contribution to the Community. He is still serving the BB as the Chairman of the Nomination Committee.

Peter served several years as the Vice-President of the Stedfast Association in Singapore and was elected President in 2008. Peter and his family are worshipping at Barker Road Methodist Church.

The Birth of Stedfast Ipoh

Greetings to all Stedfast members and fellow supporters!

Stedfast Association of Ipoh,
121, Jalan Lahat, 30200 Ipoh, Perak.
E-mail : stedfastipoh@gmail.com

Stedfast Association of Ipoh was founded on 2nd March 2011. Yes! We are very young. This association was started by a group of officers from 1st Ipoh Company with the objectives of reconnecting with outgoing BB members; providing assistance to "infant" companies in Ipoh, be it through provisions of training or financial aid; and to further the BB object. By reaching out to outgoing BB members, we hope to provide an avenue for them to establish an identity and to have "somewhere to belong" in a bigger perspective. We want to encourage them to serve in other companies as well.

To achieve this, we have started recruiting members during 1st Ipoh Company's 20th Anniversary celebrations on 7th August 2011. To date, we have 24 members already. All of them are very passionate and enthusiastic to teach and guide the younger generation as they have found BB to be a highly effective ground to catalyze the development good future leaders just like them. Many of them are former members of 1st Ipoh Company (revived in 1991) and are now working adults, in and around Ipoh. Others are studying in places as far as Sarawak and even abroad in Germany and Australia. Nonetheless, the BB blood flows in their veins.

In line with the effort of supporting BB work in Ipoh, Stedfast Association of Ipoh provides subsidies for uniforms for deserving BB members, rewards for active BB members who achieve good grades in the SPM/STPM examinations and those who score well in Bible Knowledge. In addition, Stedfast Association of Ipoh wishes to connect with all captains, officers, instructors and ex-members in the near future and work hand-in-hand to form trusses in the brigade family.

THE KING HONOURS B.B. OFFICERS

At an investiture ceremony at Istana Negara, Kuala Lumpur, on December 23, 1969. His majesty the Yang di-Pertuan Agung, presented the A.M.N. medal to our National President, Mr. Tan Teik Hock (left) and the P.P.N. to our National Secretary, Mr. Ong Tit Hoe.

These photos below were taken at the Official Opening of the First National Camp (Pesta) which was held on August 8, 1968. It was indeed an honour to have the Chief Minister of Penang Tan Sri Wong Pow Nee P.M.N. to declare open the camp. He was also the Camp Patron.

GOODWILL TOUR OF JAPAN

It is indeed an honour for me to be selected among other youth leaders to represent Malaysia in a 11-day Goodwill Tour of Japan.

The four of us reached Tokyo on 16th. September where we met Goodwill delegates from Singapore and Thailand. We were briefed on Youth Activities of Japan by the Director General of the Youth Bureau of Japan.

We were taken around to see various places of interest and other popular sights. During our brief stay, we managed to visit as many as seven or eight cities like Kyoto, Osaka, Otsu, Nara, Kawasaki, etc. We had the opportunity of staying at the foot of the beautiful and much talked-about Mount Fuji for one night. We were also taken to see the unfinished Expo '70 site.

Finally, I thank God for guiding me safely throughout the trip and allowing me to spread the name of The Boys' Brigade and what it stands for to so many countries which have not heard of it.

Andy Chan

Of course, the tour of Japan can never be complete without the taste of Japanese food. We tasted traditional Japanese breakfast, lunch and dinner. We were also given treats to the world famous Sukiyaki and Tempura. The exotic dish of sashimi - raw fish should not be left unmentioned. None of us liked sashimi. Whenever I think of sashimi I still shudder under my skin. I can and will never understand why the Japanese like that dish so much.

We left Japan for Thailand, Indonesia and Malaysia with 300 Japanese youths on board the luxurious steamer, Sakura Maru. While on board the ship we received lectures on various aspects of Japan like its' history, economy, culture, education, etc. We also learned many Japanese folk songs and dances. Most important of all I think we learned how to understand each other's problems through the exchange of views and opinions.

m m m m m what a collection!

Let me sing to you

CENTRAL DISTRICT

The 1st Kuala Lumpur Company

Staff Reporter:

L/Cpl. HO SHU CHIANG

The Company officially commenced its session in early February this year with a total enrolment of 6 Officers and over 100 Boys. We had interesting and varied programmes for the new recruits such as the basic steps in drill, the handling and mastering of musical instruments, Bible, target, self-defence, first-aid and physical training classes. We intend to start more classes should such a necessity arises.

The Band performed in Dewan Bahasa dan Pustaka for the 'Malam Bakat Koir' organised by the Youth Council on the 17th March. In the Battalion Talentime held in the Y.M.C.A. on the 24th March, our only representative, Sgt. Chia Kok Seng, walked away with the first prize in the instrumental section.

An NCOs' Course and 1st Band Course was conducted from 30th March to the 4th April in preparation for the 4th National Band Competition. We extend our appreciation to Mr. Wong Choon Seng for conducting the NCOs' Course and our Band Officer, W/O Shin, who after his many years of invaluable service left for further studies in London.

The Company together with the members of the Youth Council, had their first Sports on 1st. May. Three days later our Band was invited to lead the March-past in the MBPS Sports. The BB Week Collection this year was about \$1,600, double

last year's collection of about \$800. On the 19th May, buglers sounded off the Fanfare for the dedication and opening ceremonies of two new blocks of buildings of MBPS and MBSS. Our band also led the March-past for the Sports Day of MBS and MGAS on the 2nd and 9th of June. On 7th July, the Wesley Church Council invited our band to start off their Walkathon. The 2nd Band Course was conducted from the 20th to 24th July.

On the 25th August, our Band was invited to lead the March-past of the Tohbank Soccer Competition. On the 31st August our Band participated in the National Day Parade. Our Band led in the March-past of the Founder's Parade on the 7th October. The Company closed its session on the following Saturdays.

THE OFFICIAL PUBLICATION OF THE BOYS' BRIGADE IN MALAYSIA

THE ANCHOR

Vol. 12 No. 3 KDN. 5346 December, 1971

The Official Publication of the Boys'
Brigade in Malaysia

Managing Editor:

WILLIAM CHOY MUN WING

The year 1971 is coming to an end. For the Boys' Brigade in Malaysia, it is a year to remember. The Silver Jubilee was successfully celebrated with a big pesta in the Nation's Capital while less elaborate celebrations were undertaken by individual Companies throughout the Country.

As we enter the threshold of the New Year there are certain issues which are outstanding and demand the attention of each and every member of the Brigade.

The first is the 2-day weekly meeting. The National Executive had decided not to award service badges to Companies which did not follow this ruling but after strong objection, exemption was allowed in certain cases where local conditions made it impossible to have a 2-day weekly meeting. This is not in conformity with a Uniform System, as some Officers feel and further more they argue, Companies following a 2-day weekly meeting will be inclined to seek exemption. This is a much debated controversy and Companies may be asked to vote on a 1-day or 2-day weekly meeting.

Another issue is the Officers' Uniform. Many have expressed their dissatisfaction over their uniform but strangely no agreement has been reached on what should be the change. 1971 is a year of change; China in the United Nations, Britain in the Common Market. What about our Uniform?

The National Statistics have stagnated if not decreased this year. Recruitment is our life blood and Companies should make all efforts to swell their ranks and files.

A comparison of districts shows a wide disparity in enrolment and BB Week returns. District Executives should do their best to link Companies in their districts in order to prevent isolation and decay.

The Proposed New Constitution has been tabled at National Council Meeting for the

past few years but nothing came out of it. Let's have some satisfactory results this year.

These are some of the issues at hand but with God's help we shall Overcome.

from the
Editor

Wish you a meaningful Christmas and a fruitful BB year.

Another milestone for Datuk Michael Lor

(Our Pioneer Life Member since 1995)

YBhg. Datuk Michael Lor, the former CEO of EON Bank Bhd is the new CEO at a privately held Cambodian bank i.e. the Canadian Bank Plc, which is amongst Cambodia's top tier banks with 32 branches. Since its privatisation in 1998, the bank has become Cambodia's largest local bank.

Before joining EON Bank, he was worldwide director of banking solutions for Hewlett Packard Asia-Pacific's financial service industry segment. He was also the executive vice-president and head of consumer banking at RHB Bank, and a managing director at DBS Bank where he served in various senior management capacities in Singapore and Thailand.

YBhg. Datuk Michael Lor took over from Pung Kheav Se who is the Canadian Bank's founder and major shareholder

Formerly Canadian Gold & Trust Corp Ltd, Canadian Bank was established in November 1991 as a joint venture between Cambodian-Canadians and the National Bank of Cambodia, the country's central bank., to deal mainly in gold transactions, gold plaque manufacturing and lending to local merchants, according to data on the bank's website. In April 1993, its name was changed to Canadian Bank Ltd and it became a licensed commercial bank. It took on its present name in December 2003.

Hence, we at Stedfast KL are very happy indeed that Datuk Michael Lor, our Life Member as well as a "die-hard Brigadier" has taken such a high-flying position and we want to wish him God's richest blessings in his new endeavours.
